Here's wishin' you the bluest sky's
And hopin' somethin' better comes tomorrow
Hopin' all the verses rhyme
And the very best of choruses to
Follow all the doubt and sadness
I know that better things are on the way

Here's hopin' all the days ahead
Won't be as bitter as the ones behind you
Be an optimist instead
And somehow happiness will find you
Forget what happened yesterday
I know that better things are on the way

It's really good to see you rockin' out
And havin' fun
Livin' like you just begun
Accept your life and what it brings
I hope tomorrow, you'll find better things

Here's wishin' you the bluest sky's
And hopin' somethin' better comes tomorrow
Hopin' all the verses rhyme
And the very best of choruses to
Follow all the doubt and sadness
I know that better things are on the way

I know you've got a lot of good things
Happenin' up ahead
The past is gone it's all been said
So here's to what the future brings
I know tomorrow, you'll find better things
I hope tomorrow, you'll find better things

Follow all the doubt and sadness
I know that better things are on the way

It's really good to see you rockin' out
And havin' fun
Livin' like you just begun
Accept your life and what it brings
I hope tomorrow, you'll find better things

I hope tomorrow, you'll find better things

I hope tomorrow, you'll find better things

I hope tomorrow, you'll find better things

I hope tomorrow, you'll find better things

I hope tomorrow, you'll find better things

I hope tomorrow, you'll find better things
