Black is the color of my true love's hair  
His face so soft and wondrous fair  
The purest eyes and the strongest hands

I love the ground on where he stands  
I love the ground on where he stands

Black is the color of my true love's hair  
Of my true love's hair  
Of my true love's hair

Oh, I love my lover and well he knows  
Yes, I love the ground on where he goes  
And still I hope that the time will come

When he and I will be as one  
When he and I will be as one  
When he and I will be as one

So black is the color of my true love's hair  
Of my true love's hair  
Of my true love's hair
