You've got them all, by the balls  
causin' waterfalls  
Stone walls  
Bar brawls  
Common stalls that cause 'em all (?)

To you they crawl, body sprawl  
Smokin' Pall Malls  
Close call, stand tall

Doll, you make them feel so small  
AND THEY LOVE IT!

The boys wanna be her (The boys)  
The girls wanna be her (The girls)  
The boys wanna be her (The boys)  
The girls wanna be her (The girls)  
The boys wanna be her (The boys)  
The girls wanna be her (The girls)  
The boys wanna be her (The boys)

I wanna be her

Yes I do

The way you rock, don't stop (or lone star)  
Girl, you got the chops  
Flip flop  
She bop  
Self-taught  
You lick so hot  
Are you conceived (?)  
Kids receive  
Crawling up the sleeve  
Parents bleed  
Can't conceive  
That indeed we'll never leave

AND WE LOVE IT!
