Last night I had the strangest dream
I sailed away to China in a little row boat to find ya
And you said, you had to get your laundry cleaned
Didn't want no-one to hold you what does that mean
and you said

Ain't nothin' gonna to break my stride
Nobody's gonna slow me down, oh no
I gotto keep on movin'
Ain't nothin' gonna break my stride
I'm running and I won't touch ground oh no
I got to keep on movin'

You're on the road and now you're plain as gone
The road behind was rocky but now you're feeling
cocky
You look at me and you see your past
Is that the reason why you're runnin' so fast and she
said

Ain't nothin' gonna break my stride
Nobody's gonna slow me down, oh no
I gotto keep on moving
Ain't nothin' gonna break my stride
I'm running and I won't touch ground oh no
I gotto keep on moving

Never let another guy like you, work me over
Never let another guy like you, drag me under
If I meet another guy like you, I will tell him
Never want another guy like you, have to say

Ain't nothin' gonna break my stride
Nobody's gonna slow me down oh no
I got to keep on moving
Ain't nothin' gonna break my stride
I'm running and I won't touch the ground oh no
I got to keep on movin'
