I played the fool today
I just dream of vanishing into the crowd
Longing for home again
Home, is a feeling I buried in you

I'm alright, I'm alright
It only hurts when I breathe

And I can't ask for things to be still again
No I can't ask if I could walk through the world in your
eyes
Longing for home again
Home, is a feeling I buried in you

I'm alright, I'm alright
It only hurts when I breathe
I'm alright, I'm alright
It only hurts when I breathe
My window through which nothing hides
And everything sees
I'm counting the signs and cursing the miles in
between

Home

Home, is a feeling I buried in you, that I buried in you

I'm alright, I'm alright
It only hurts when I breathe
I'm alright, I'm alright
It only hurts when I breathe, when I breathe
Yeah, it only hurts when I breathe, when I breathe
Oh, it only hurts when I breathe
