Dreams Schemes and everythings  
Fill the dusty corners of your mind -  
As cars, boats and aeroplanes  
Just remind you of a better time  
As love's hopes and everyone's  
Anyone worth a minute of your time -  
When unhampered by the agents,  
Of the governors of the faceless so opaque,  
As bare tree's and winter winds  
Just confine you to - a bitter place  
A time you can't face-  
A peace in your mind  
We should be playing in the sunshine  
Happy to be part of everything,  
Not handled, greedy handlers  
Brought down and destroyed  
through their own ways-  
Liars! Liars! - smoking on pipes.  
dimwit fires  
Who Just throw it in their way-  
And how's your father today  
Was he caught in the rain ?  
Waiting on a Bed  
Putting up with the pain  
his three wishes expire  
he threw them back in the fire  
lock the genie in the shed  
put a pistol to his head  
Not handcuffed to some wanker  
Who doesn't know me  
(and\_ doesn't know our lives are made-  
on all the efforts,  
of the masses,  
And all the people who deserve a better - fate  
Than a time you can't trace  
No peace in your mind  
A time you can't face  
Now your back in the race-  
Your three wishes expired  
Now your back in the fire  
(your three wishes expired -  
Now your back in the fire)

See you just can't play  
not without a say  
Always got to be the man  
Always got to have the plan-  
It doesn't run that way  
Into the ether you'll say  
(your three wishes expired -  
Now your back in the fire)  
your three wishes expired -  
Now your back in the fire
