Gimme some guitars, punk, that's better
Sweet Leth
Limp Bizkit in the house
What fuckin' house?
Seattle baby
Terry Date, Limp Bizkit, Staind

Bring the noise
Bass, how low can you go?
Death row, what a brother knows
Once again, back is the incredible
The rhyme animal, the uncannable D.

Public Enemy number one
Five-Oh said "Freeze!" and I got numb
Can I tell 'em that I really never had a gun?
But it's the wax that the Terminator X-1

Now they got me in a cell 'cuz my records they sell
'Cuz a brother like me said, "Well?"
Farrakhan's a racist and I think you should listen to
What he can say to you what you outta do

Follow for now, power of the people say
"Make a miracle, D. pump the lyrical"
United we stand, all in we gonna win
Check it out, ay yo come on, here we go again

Turn it up, bring the noise
I said, turn it up, bring the noise

Never badder than bad 'cuz the brother is madder than
mad
At the fact that's corrupt like a senator
Soul on a roll, but you treat it like soap on a rope
'Cuz the beats in the lines are so dope

Listen for lessons I'm sayin'
Inside music that the critics are blastin' me for
They'll never care for the brother and sisters
Across the country has us up for the war

We got to demonstrate, come on
They're gonna have to wait 'til we get it right
Radio stations, I question their freshness
We all think they're wack but we'll see if they'll play this

Turn it up, bring the noise
I said, turn it up, bring the noise

Get from in front of me, the crowd runs to me
My D.J. is Lethal Dose, we call him Leth, you know
He can cut a record from side to side
So what, the ride the glide should be much safer than a
suicide

Soul control beat, father or our rock n' roll
Music for whatcha, for whichin' you call a band man
Makin' a music abuse it but you can't do it, ya know
You call 'em demos but we ride limos too

Whatcha gonna do? Rap is not afraid of you
Beat is for Sonny Bono, beat is for Yoko Ono
Run D.M.C. first said, "A D.J. couldn't be a band"
Stand on its own feet, get you out your seat

Beat is for Eric B. and L.B. as well, hell
Records from Fred D, still we can rock bells
Ever for ever, Universal it will sell
Time for me to exit, Terminator X-it

Turn it up, bring the noise
I said, turn it up, bring the noise

Bring that fuckin' noise and get the fuck up
Get the fuck up, bring the noise
Get the fuck up, bring the noise
