Standing in the rain, cab comes into view  
Asked me where am I goin' to  
Running for so long, been gone too many nights  
And my heart has paid the price

This ain't the heaven  
And this ain't the life I've bargained for, oh no  
My reason for living isn't here inside this car  
You know I gotta get back to you

Cab driver, take me home  
Spent too much time away, too much time alone  
Cab driver, take me home  
Spent too much time away from my baby, oh yeah

I need familiar streets to show me that you're near  
Feeling like a stranger here  
Oh, does the mirror show the miles on my face  
Am I goin' any place?

This ain't the heaven  
But this ain't the life I was hopin' for,  
oh no, oh no  
Reason for living sure ain't here inside this car  
You know I've gotta get back to you

Cab driver, take me home  
Spent too much time away, too much time alone  
Cab driver, take me home  
Spent too much time away from my baby, oh yeah

I need to see the look on your face  
A kiss from your lips, oh, the taste, baby  
Nothing waiting for me but a lonely room  
Girl, I've gotta get back to you, baby, soon

Cab driver, take me home  
Spent too much time away, too much time alone  
Cab driver, take me home  
Spent too much time away from your baby

Oh, cab driver, take me home  
I've spent too much time, take me home  
Cab driver, take me home  
Gotta get back to my baby
