Can you feel it, can you feel it, can you feel it?

If you look around
The whole world's coming together now yeah
Can you feel it, can you feel it, can you feel it?

Feel it in the air
The wind is taking it everywhere, yeah
Can you feel it, can you feel it, can you feel it?

All the brothers of the world should be
Lovin' each other wholeheartedly
Yes it's alright, take my message to your brother
And tell him twice, uh huh

Spread the word who tried to teach the man who is
hatin' his brother
When hate won't do
'Cause we're all the same
Yes the blood inside of me is inside of you c'mon

Now tell me!
Can you feel it, can you feel it, can you feel it?
Can you see what's going down, you can fill it in your
bones

Every breath you take
Is someone's death in another place yeah
Every healthy smile
Is hunger and strife to another child yeah

But the stars do shine
And promising salvation is near this time, yeah, yeah
Can you feel it now?
So brothers and sisters shall we know how

Now tell me
Can you feel it, tell me can you feel it, can you feel it?
Can you see what's going down, you can fill it in your
bones

All the children of the world should be

Lovin' each other wholeheartedly
Yes it's alright
Take my message to your brother and tell him twice, uh
huh

Take the news to the marchin' men
Who are killin' their brothers when death won't do, no,
no
Yes, we're all the same
Yes, the blood inside my veins is inside of you yeah,
yeah, yeah, yeah

Now tell me!
Can you feel it, can you feel it, can you feel it?
Can you feel it, can you feel it, can you feel it?
Can you feel it, can you feel it, can you feel it?
Can you feel it, can you feel it, can you feel it?
Can you feel it, can you feel it, can you feel it?
Can you feel it, can you feel it, can you feel it?
