I always dreamed that everything would be okay
With me and you, I was wrong
When I looked into your eyes I didn't see all the things
I used to see, what's going on?

You gave me reasons to believe that we were always
Meant to be but now I see you were wrong
You can't keep running back to me with all those, baby
Baby, please, no more, no more

Never imagined you would be a faded picture I'm
emotional
(I'm emotional)
It's so believing, you're deceiving, it's official, I'm
emotional
(I'm emotional)

I can't forget that night I saw you in the corner
Wrapped up tight, you were warm, ooh
Slow dancing on the floor while I was watching
From the door so hurt, there you were

You gave me reasons to believe that we were always
Meant to be but now I see you were wrong
You can't keep running back to me with all those, baby
Baby, please, no more, no more

Never imagined you would be a faded picture I'm
emotional
(I'm emotional)
It's so believing, you're deceiving, it's official, I'm
emotional
(I'm emotional)

You had your chance but you threw it all away
Thought you had my love always
(Oh baby)
I don't understand
(I just don't understand)
How you think that we could stay in total unhappiness?

Never imagined you would be a faded picture I'm

emotional
(I'm emotional)
It's so believing, you're deceiving, it's official, I'm
emotional
(I'm emotional)
