Motion City Soundtrack

I'll be back tomorrow
I'll be back in the ballroom swingin'
I'll be back with my Superman action and I'm off to save
the world
Silly me, I left a message with no return number
For my boys in blue in case of an emergency
In case the shit goes down, yeah

I'll be back tomorrow
I'll be back in the ballroom swingin'
I'll be back with my Superman action
And I'm off to save the world

I'll be back tomorrow
I'll be back in the ballroom swingin'
I'll be back with a capital H
It stands for hero, and the hero is me

I'll be back tomorrow
I'll be back at a quarter to eleven
I'm half drunk, I can't see straight, a hero zero with a
capital Z (that's me)
Singin' songs from the balcony as the city crumbles
Under the powers of an evil doctor rocket science
monster
With capabilities to destroy the entire universe, yo

I'll be back tomorrow
I'll be back in the ballroom swingin'
I'll be back with my Superman action
And I'm off to save the world
I'll be back tomorrow
I'll be back in the ballroom swingin'
I'll be back with a capital H
It stands for hero, and the hero is me

I'll be back tomorrow
I'll be back in the ballroom swingin'
I'll be back with my Superman action
And I'm off to save the world

I'll be back tomorrow
I'll be back in the ballroom swingin'
I'll be back with a capital H
It stands for hero, and the hero is me

I'll be back tomorrow
I'll be back in the ballroom swingin'
(Songs from the balcony as the city crumbles)
I'll be back with my Superman action
And I'm off to save the world

I'll be back tomorrow
I'll be back in the ballroom swingin'
I'll be back with a capital H
It stands for hero, and the hero is me
