When light goes down, I see no reason
For you to cry. we've been through this before
In every time, in every season
God knows I've tried, so please don't
ask for more

Can't you see it in my eyes
This might be our last goodbye

Carrie, Carrie, things they change my friend
Carrie, Carrie, maybe we'll meet again

I read your mind, with no intentions
Of being unkind, I wish I could explain
It all takes time, a whole lot of patience
If it's a crime, how come I feel no pain
