It's after midnight and she's on your phone, phone
Sayin' come over 'cuz she's all alone, alone
I could tell it was your ex by your tone, tone
Why is she callin' now after so long?

Now what is that she wants?
Tell me what is that she needs?
Did she hear about the brand new Benz
That you just bought for me

'Cause y'all didn't have no kids
Didn't share no mutual friends
And you told me that she turned trick
When y'all broke up in '96

What'cha gonna do when you can't say no?
When her feelings start to show, boy, I really need to
know
And how you gonna act, how you gonna handle that?
What'cha gonna do when she wants you back?

What'cha gonna do when you can't say no?
When her feelings start to show, boy, I really need to
know
And how you gonna act, how you gonna handle that?
What'cha gonna do when she wants you back?

There's no need to reminisce about the past, past
Obviously 'cause that shit did not last, last
I know how a woman will try to game you, you
Don't get caught up because, baby you'll lose

Now what is that she wants?
Tell me what is that she needs?
Did she hear about the brand new Benz
That you just bought for me

'Cause y'all didn't have no kids
Didn't share no mutual friends
And you told me that she turned trick
When y'all broke up in '96

What'cha gonna do when you can't say no?
When her feelings start to show, boy, I really need to
know
And how you gonna act, how you gonna handle that?
What'cha gonna do when she wants you back?

Tell me, was she on the phone in the middle of the
night
Tell me, was she in your life try'na get what's mine
If she don't know me, she's about to know me
I'm in your life and that's how it's gonna be

I've seen her photo, she ain't even all that
So if you want her back, you can take her back
'Cuz game recognize game, I could do the same thing
Get it right, change or take back this ring

What'cha gonna do when you can't say no?
When her feelings start to show, boy, I really need to
know
And how you gonna act, how you gonna handle that?
What'cha gonna do when she wants you back?
