See these eyes so green  
I can still for a thousand years  
colder than the moon  
it's been so long  
feel my blood enraged  
it's just the fear of losing you  
don't you know my name  
you've been so long  
well you've been so long  
and I've been putting out fire with gasoline....

see these eyes so red, red like jungle burning bright  
those who feel me know, pulled the plights and  
changed their minds  
you've been so long  
well you've been so long  
and I've been putting out fire with gasoline  
putting out fire, with gasoline...

still this pulsing night  
a plague I call a heartbeat.  
just be still with me  
you wouldn't believe what I've been through  
you've been so long  
well you've been so long  
and I've been putting out fire with gasoline  
putting out fire, with gasoline...

see these tears so blue  
an ageless heart that can never mend  
these tears can never dry  
a judgement made can never bend  
see these eyes so green  
I could stare for a thousand years  
just be still with me  
you wouldn't believe what I've been through  
its been so long,  
where you been so long?  
and I've been putting out fire with gasoline  
putting out fire, with gasoline....  
putting out fire with gasoline

putting out fire, with gasoline

been so long so long so long

been so long so long so long (and I've been putting out  
fire)

been so long so long so long
