I am the one I am the one let's make it to the disco
Let's make it to the rock show
Let's make it till the sun goes down.

Let's have some fun
Let's have some fun
Let's drive into the shadows
Let's go where no one else goes
Let's rock it to the left the right the left the right...

I am the one I am the one
We'll make it to the disco, oh we'll make it to the rock
show, or make it till the sun goes down.

Let's have some fun
Let's have some fun
Let's drive into the shadows
Let's go where no one else goes
Let's rock it to the left the right the left the right...

I am the one I am the one I am the one I am the one
