When we played our charade  
We were like children posing  
Playin' at games, actin' out names  
Guessin' the parts we played

Oh, what a hit we made  
We came on next to closin'  
Best on the bill, lovers until  
Love left the masquerade

Fate seemed to pull the strings  
I turned and you were gone  
While from the darkened wings  
The music box played on

Sad little serenade  
Song of my heart's composing  
I hear it still, I always will  
Best on the bill, charade

Fate seemed to pull the strings  
I turned and you were gone  
While from the darkened wings  
The music box played on

And a sad little serenade  
Song of my heart's composing  
I hear it still, I always will  
Best on the bill, charade
