Oooo ooo ooo,
Oooo ooo ooo.
Oooo ooo ooooh!

I'm tired of your open mouth,
Crawling inside my skin,
And this play we never quit,
The fight within the cross begun,
Say that it's too late,
When a man's gotta learn to hate (hate).

Urrahh!!

Forget the time I said I would,
Replace me with,
But never will,
Beyond the facts that are in your face,
Ignore the facts beyond your nose,
Said it's to late,
When a man's gotta learn to hate.
Grow up!!!

Not without meaning,
No response,
Not a feeling.
Hhhhuu hhhhhu uhhu
Hhhhuu hhhhhu uhhu

Just grow up!!!

Rruhh!!!
Rruhh!!!
Rruhh!!!
Rruhh!!!

Uhhreh!
