They say "freak"
When you're singled out
The red
Well, it filters through

So lay down the red is real
When his sight goes red again
Seeing red again
Seeing red again

This change
He won't contain
Slip away
To clear your mind
When asked what made it show?
The truth
He can't send to most

So lay down the red is real
When his sight goes red again

Instrumental

So lay down the red is real
When his sight goes red again
So lay down the red is real
When his sight goes red again

Seeing red again (x7)
Seeing red!!!

They say "freak"
When you're singled out
The red
It filters through
