(a boogie)

This is my story about Chicago  
I learned it all one day  
Your best friend will decieve you  
He'll steal your gal away

Hey, believe what I tell you  
Ev'ry word I said  
Don't expect nothin' different  
Chicago is just that way

I used to have a friend  
I would let him wear my clothes  
He got sweet on my gal  
She gave him all my gold

Believe what I tell you  
Ev'ry word I said  
Don't expect nothin' different  
Chicago is just that way

(piano, guitar & instrumental)

The other night while cruisin'  
Down the avenue  
I caught them huggin' an kissin'  
Like she an I used to do

Believe what I tell you  
Ev'ry word I said  
Don't expect nothin' different  
Chicago is just that way-ay

I walked over to the table  
This is what I had to say  
'You can have her old man  
But you both should be dead

Believe what I tell you  
Ev'ry word I said  
Don't expect nothin' different

Chicago is just that way-ay.

(piano & instrumental to end)
