There is something special  
About this time of year  
The christmas feeling's everywhere  
I just got home to join you  
I've been away too long (been away too long)  
But now I'm back  
To share my love  
Friends are reunited  
One big family  
Filled with love  
To last throughout the year

[Chorus:]

Christmas time, time to share our love  
Come and join the tidings to the world  
Christmas time, the best time of the year  
Yes, it's christmas time

You and me together  
A sleigh ride in the park  
A loving kiss straight, straight from my heart  
Snowflakes are falling gently  
The smell of chestnuts in the air  
And the Christmas lights they gleam across the sky  
Oh oh oh, it's Christmas time

[Chorus:]

Christmas time, time to share our love  
Come and join the tidings to the world  
Christmas time, the best time of the year  
Yes, it's christmas time

Do you remember? (do you remember)  
Everything felt so right  
When I held you close to me  
Do you remember?  
Those cold Christmas nights  
When we saw the world in harmony

[Chorus:]

Christmas time, time to share our love

Come and join the tidings to the world  
Christmas time, the best time of the year  
Yes, it's christmas time

Christmas time, time to share our love  
Come and join the tidings to the world [4x]

[Chorus to fade:]  
Christmas time, time to share our love  
Come and join the tidings to the world  
Christmas time, the best time of the year  
Yes, it's christmas time
