As war drums beat in Babylon
Cinnamon girl starts 2 pray
Eye've never heard a prayer like this 1
Never b4 that day

Tearful words of love 4 people she had never met b4
Asking God 2 grant them mercy in this face of a holy
war

Cinnamon Girl

Cinnamon Girl of mixed heritage
Never knew the meaning of color lines
911 turned that all around
When she got accused of this crime

So began the mass illusion, war on terror alibi
What's the use when the god of confusion keeps on
telling the same lie?

Cinnamon Girl
Don't cry, don't shed no tears
1 night won't make us feel
Cause we know how this movie's ending

Cinnamon Girl

As war drums beat in Babylon
And scorch the blood red sky
Militants bomb the foreign gun
Both sides truly die

Cinnamon girl opens the book she knows will settle all
the scores
Then she prays after the war that there will not b
anymore
