Woman In Love

Life is a moment in space
When the dream is gone
It's a lonelier place
I kiss the morning goodbye
Down inside, you know we never know why
The road is narrow and long
When eyes meet eyes
And the feeling is strong
I turn away from the wall
I stumble and fall
But I give you it all

I am a woman in love
And I'd do anything
To get you into my world
And hold you within
It's a right I defend
Over and over again
What do I do

With you eternally mine
In love there is no measure of time
We planned it all at the start
You and I live in each other's heart
We may be oceans away
You'll feel my love

I hear what you say
No truth is ever a lie
I stumble and fall
But I give you it all

I am a woman in love
And I'd do anything
To get you into my world
And hold you within
It's a right I defend
Over and over again
What do I do

I am a woman in love
And I'm talking to you
You know I know how you feel
What a woman can do
It's a right I defend
Over and over again

I am a woman in love
And I'd do anything
To get you into my world
And hold you within
It's a right I defend
Over and over again
