Come And Talk To Me  
I Really Wanna Meet You Girl  
I Really Wanna Know Your Name

Whoa!

Come And Talk To Me  
I Really Wanna Meet You Girl  
I Really Wanna Know Your Name {Oh Yeah}

You Look So Sexy  
You Really Turn Me On  
Blow My Mind  
Everytime I See Your Face Girl

You Look So Sexy  
You Really Turn Me On  
Blow My Mind  
Everytime I See Your Face Girl...

[Verse 1:]  
I've been watching you  
for so very long.  
Trying to get my nerves built up  
to be so strong.  
I really want to meet you  
but I'm kinda scared.  
Cause your the kind of lady  
with so much class.  
I get my thoughts together  
for the very next day.  
But when I see you lady  
I forget what to say.  
Your eyes demand  
such a beautiful town.  
The way you dress and walk,  
it really turns me on.  
Oh yeah you really turn me on  
come on, come on, come on.

[Chorus:]  
Come and talk to me

I really wanna meet you  
Can I talk to you  
I really wanna know you  
Come and talk to me  
I really wanna meet you  
Can I talk to you  
I really wanna know you  
Oh Oh Oh Oh Oh

[Verse 2:]

There you are again  
with the same smile on each day  
I wanna know what it is  
That makes me feel this way  
I wish I could grab you  
Tell you what it means to me  
To see you walking my way  
It really makes my day  
Before I go to sleep  
and dream about you  
I'm a single man  
I hope that you are single too  
Why do I seek  
something to set my mind free  
Cause curiosity is bugging  
the hell out of me  
Talk to me, talk to me  
Talk to me baby

Come and talk to me  
I really wanna meet you  
Can I talk to you  
I really wanna know you  
Come and talk to me  
I really wanna meet you  
Can I talk to you  
I really wanna know you  
Oh Oh Oh Oh Oh

[Bridge:]

You want to tell me your name  
let me play your game  
You want to tell me your name  
let me play your game  
I really want you

[x4:]

Cooommme and talk to me(come on come on)  
I really want, I really want, I really want, I really want to  
know you

[Bridge x2]
