I started out on the wrong foot, now I'm not myself  
I am Jekyll, I am Hyde, found this place to hide, come  
seek me  
Oh, so up and down, so back and forth, so insecure  
Can't get this taste out of my mouth, swallow it down,  
pretend

And hold it, hold it all in  
Let it build up, oh, build a bomb  
And blow it, blow it away  
And clear it all out, just end it

I'm just a normal person without those problems, when  
did it change?  
Admission so embarrassing, I'm on the verge of tears  
again

I'll hold it, I'll hold it all in  
I'll let it build up, oh, build a bomb  
And blow it, blow it away  
And clear it all out, just end it

Oh look, I took the band aid off. did I take it off too  
soon  
Hysterical confession, my big courage is blue

Don't gasp at the predictable, a comforting lie can't last  
Preordained checklist of this awkward love it's so sad

Oh, hold it, hold it all in  
Let it build up, oh, build a bomb  
And blow it, blow it away  
And clear it all out, just end it  
And sort it, sort it out  
Oh, just give it back, no thank you  
And toss it, toss it away  
Eliminate, just give up

I, I can't decide this tug of war  
I'm feeling weak, yeah
