When you feel all alone
And the world has turned it's back on you
Give me a moment please
To tame your wild, wild heart

I know you feel
Like the walls are closing in on you
It's hard to find relief
And people can be so cold

When darkness is upon your door
And you feel like you can't take anymore

Let me be the one you call
If you jump I'll break your fall
Lift you up and fly away with you into the night
If you need to fall apart
I can mend a broken heart
If you need to crash then crash and burn
You're not alone

When you feel all alone
And a loyal friend is hard to find
You're caught in a one way street
With the monsters in your head

When hopes and dreams are far away and
You feel like you can't face the day

Let me be the one you call
If you jump I'll break your fall
Lift you up and fly away with you into the night
If you need to fall apart
I can mend a broken heart
If you need to crash then crash and burn
You're not alone

'Cause there has always been heartache and pain
And when it's over you'll breathe again
You'll breathe again

When you feel all alone

And the world has turned its back on you
Give me a moment please
To tame your wild, wild heart

Let me be the one you call
If you jump I'll break your fall
Lift you up and fly away with you into the night
If you need to fall apart
I can mend a broken heart
If you need to crash then crash and burn
You're not alone

Let me be the one you call
If you jump I'll break your fall
Lift you up and fly away with you into the night
If you need to fall apart
I can mend a broken heart
If you need to crash then crash and burn
You're not alone

Let me be the one you call
If you jump I'll break your fall
Lift you up and fly away with you into the night
If you need to fall apart
I can mend a broken heart
