Baby, let's cruise away from here
Don't be confused, the way is clear
And if you want it, you've got it forever
This is not a one night stand, baby yeah

So let the music take your mind, ooh
Just release and you will find

You're gonna fly away, glad you're going my way
I love it when we're cruisin' together
The music is played for love, cruisin' is made for love
I love it when we're cruisin' together

Baby, tonight belongs to us
Everything's right, do what you must
And inch by inch we get closer and closer
To every little part of each other, ooh baby, yeah

So let the music take your mind
Just release and you will find

You're gonna fly away, glad you're going my way
I love it when we're cruisin' together
Music is played for love, cruisin' is made for love
I love it when we're cruisin' together

Cruise with me, baby, cruise, cruise
Oh baby, let's cruise, let's float, let's glide
Ooh, let's open up and go inside

And if you want it, you got it forever
I could just stay there inside you and love you, baby
Let the music take your mind
Just release and you will find

You're gonna fly away, glad you're going my way
I love it when we're cruisin' together
The music is played or love, cruisin' is made for love
I love it when we're cruisin' together

You're gonna fly away, glad you're going my way
I love it when we're cruisin' together

Music is played for love, cruisin' is made for love
