You know what time it is nigga  
And you know who the fuck this is  
Danger, danger, get on the flo'  
The nigga right here, sing it

Been so long  
Since, he's been on  
So please show me  
What it is that you want to see?

Go tell the DJ to put my shit on  
I'm keepin' you niggas and bitches  
In jump from the minute I get on  
Takin' they shirt off, showin' they tattoos

Screamin' and hollerin' and all  
Got the gift to come up with it  
Put it together, deliver it  
Make them feel it, bitch I been on

Sharp like you pulled me out the pencil sharpener  
Bad like that student in the principals office  
Put rappers in coffins, they dive like dolphins  
I'm the damnedest lyrical marvel you come across  
often

So watch yourself or fuck around  
And get beside yourself, I know  
Go head though bounce them titties  
Shake that ass, drop that pussy, but stay in line hoe

Fuck a can't, 'cuz you can can  
Cocked up, head down, pussy poppin' on a handstand  
Leave that pussy smokin'  
If you gon' do somethin' then bend over, and bust that  
pussy open

Been so long
