You know what time it is nigga
And you know who the fuck this is
Danger, danger, get on the flo'
The nigga right here, sing it

Been so long
Since, he's been on
So please show me
What it is that you want to see?

Go tell the DJ to put my shit on
I'm keepin' you niggas and bitches
In jump from the minute I get on
Takin' they shirt off, showin' they tattoos

Screamin' and hollerin' and all
Got the gift to come up with it
Put it together, deliver it
Make them feel it, bitch I been on

Sharp like you pulled me out the pencil sharpener
Bad like that student in the principals office
Put rappers in coffins, they dive like dolphins
I'm the damnedest lyrical marvel you come across
often

So watch yourself or fuck around
And get beside yourself, I know
Go head though bounce them titties
Shake that ass, drop that pussy, but stay in line hoe

Fuck a can't, 'cuz you can can
Cocked up, head down, pussy poppin' on a handstand
Leave that pussy smokin'
If you gon' do somethin' then bend over, and bust that
pussy open

Been so long
Since, he's been on
So please show me
What it is that you want to see?

Been so long
Since, he's been on
So please show me
What it is that you want to see?

My fuckin' concert line around the corner
Parkin' cars, niggas lookin' for they bitch, nothing on
her
You lookin' good mamma why? Pshh, what's up homie?
Sirens, limousines, and the club owner ya bitch you

If you late, ain't no gettin' in this bitch 'cuz it's fillin' up
Inside packed from the floor to the ceilin' up
The building ain't big enough
I'm backstage bouncin' adrenaline buildin' up

The pussy cutter, did I stutter?
The heart flooder, make your woman drawers melt like
butter
Down like Nelly, I'm 'Hype' like 'Belly'
The rhyme seller Kick ass like Jim Kelly

Stand up, round out, boot up and frown
Tell a nigga if he wanna try it then bitch come on down
No sweat, no blood, no tears
And if I tell you it's the shit then bitch that's what it is

Been so long
Since, he's been on
So please show me
What it is that you want to see?
