Your takin away everything
And I can't do without.

I try to see the good in life.
The good things in life are hard to find.
We're blowin away, blownin away
Can we make this something good?

Well I'll try to do to it right this time around
It's not over,
Try to do it right this time around
It's not over
But a part of me is dead and in the ground.
This love is killin me
But your the only one
It's not over.

I've taken all I can take
And I cannot wait
We're wastin too much time
Bein strong, holdin on
Can't let it bring us down

My life with you means everything
So I won't give up that easily

Blowin away blowin away
Can make this something good?
Cause it's all misunderstood?
Well I'll try to do to it right this time around
It's not over,
Try to do it right this time around
It's not over
But a part of me is dead and in the ground.
This love is killin me
But your the only one
It's not over.

You can't let this get away
Let it out, let it out
Don't get caught up in yourself
Let it out.

Let's start over
Well try to do to it right this time around
Its not over
But a part of me is dead and in the ground.
This love is killin me
But your the only one
It's not over.

Lets start over
Its not over
This love is killin me
But your the only one
It's not over
