Lay your head on my pillow  
Here you can be yourself  
No one has to know what you are feelin'  
No one but me and you

I won't tell your secrets  
Your secrets are safe with me  
I will keep your secrets  
Just think of me as the pages in your diary  
I will keep your secrets  
Just think of me as the pages in your diary

I feel such a connection  
Even when you're far away  
Ooh, baby if there is anything that you fear  
Call 489-4608 and I'll be here

I won't tell your secrets  
Your secrets are safe with me  
I will keep your secrets  
Just think of me as the pages in your diary  
Just think of me as the pages in your diary  
Just think of me as the pages in your diary

Everybody say woh  
Let me hear you say woh  
I'm saying woh  
Let me hear you say

I won't tell, I won't tell  
I won't tell, I won't tell  
I won't tell, I won't tell  
Your secrets to anybody
