You can sleep forever, but still you will be tired
you can stay as cold as stone, but still you won't find
peace
with you i feel i'm the meek leading the blind
with you i feel i'm just spending wasting time
I've been waiting
i'm still waiting
i've been waiting
i've been waiting
i've been waiting
i'm still waiting
i'm with you (with you)
it's always one step too far
one step too far
You can walk too far but still you won't be found
you can look down on the world but still you won't find
love
you won't find love
Only with mellow
are you thin enough to slide through,
don't let nothin' ride u,
if the sun or the moon would give way to doubt,
they would immediately go out.
only one swallow doesn't make a summer
but u gotta start somewhere (maxi's bit)
I've been waiting
i'm still waiting
i've been waiting
i've been waiting
i've been waiting
i'm still waiting
i'm with you (with you)
it's always one step too far
one step too far
I've been waiting
i'm still waiting
i've been waiting
i've been waiting
i've been waiting
i'm still waiting
i'm with you (with you)
it's always one step too far

one step too far
