LAURA BRANIGAN

CHORUS:

Dim all the lights sweet darling

Cause tonight it's all the way

Turn up the old Victrola

Gonna dance the night away

Love just don't come easy

No it seldom does

When you find the perfect love

Let it fill you up

REPEAT CHORUS

Dim all the lights sweet honey

Cause tonight it's you and me

No need to worry darlin

Cause it's for eternity

Love don't come easy

This you know I understand

I want to be your woman

If you'll be my man

Let yourself go freely and I'll

Show you things that you've dreamed of

Don't think that your dreaming

We've found the perfect love

And I'm like a cup come fill me up

REPEAT CHORUS

Do what you want

You can use me all you want

Take me bottom to top

Don't leave anything undone

No,no,no do it tonight

You know the moments are right

Turn my brown body white

Come let's dim all the lights

REPEAT CHORUS
