summertime and the livin's easy
and bradley's on the microphone w/ ras m.g.
all the people in the dance will agree
that we are well qualified to represent the lbc
me and louie run to the party
dance to the riddim it gets harder
me and my girl got this relationship
i love her so bad but she treats me like...
on lock down like a penitentiary she
spreads her lovin' all over and then there's none left
for me
(chorus)
oh take this veil from off my eyes
a burning sun will one day rise
so what am i gonna be doin' for a wife
i guess i'll have to play it myself show them
how we come off the shelf
(chorus)
evil i've come to tell you that she's evil most definitely
evil ornery scandalous and evil the
tension is getting hotter i'd like to hold her head
underwater
