yeah, yeah, yeah
Her beauty's crazy
I watched her from the crowd
Her voice is so amazing
She make her momma proud
I tried to send her flowers
But she has no address
Her home is on my heart
It's like she never left
This is more than a crush
More than I like like
More than I love
Baby i'ma make you mine
And I ain't giving up
[x2]
Don't run away
Don't run away from the truth
Cause I'm not giving up on you
[x2]
Show me you got fire
But I'm preaching to the choir
I know you know
The whole world is watching you, so
Don't run away
Don't run away from the truth
Cause I'm not giving up on you
Uh they true love is blind
That real romance is blindness
You're like my favourite movie
Play it then rewind it
Cause baby you're the finest
You're love I'm gonna find it
And when I do, I'll run away with you
Somewhere where they can't find us
This is more than a crush
More than I like like
More than I love
Baby i'ma make you mine
And I ain't giving up
[x2]
Don't run away
Don't run away from the truth

Cause I'm not giving up on you
[x2]
Show me you got fire
But I'm preaching to the choir
I know you know
The whole world is watching you, so
Don't run away
Don't run away from the truth
Cause I'm not giving up on you
Normally I couldn't turn you're head
That's why I had to write this instead
Let's be friends, start out slow
Get to know you beyond you're glow
You're more than meets the eye
Girl you're more than pterodactyl fly
Way back when you knew my name
The truth is what I bring
Don't run away
Don't run away from the truth
Cause I'm not giving up on you
Don't run away
Don't run away from the truth
Cause I ain't giving up on you
Show me you got fire
I'm preaching to the choir
I know you know
The whole world is watching you, so
Don't run away
Don't run away from the truth
Cause I'm not giving up on you
