Let's talk it over, baby
'For we start
I hear about the way
You overdo your part

But don't you lie to me
Don't you lie to me
It makes me mad
An I get evil as a man can be

There's two kind-a people
That I just can't stand
An that's a lyin' woman
An a sneakin' man

But don't you lie to me
Don't you lie to me
Because it makes me mad
An I get evil as a man can be

Here's a proposition
I will give to you
I'll give you all my jelly
If you gimme yours, too

But don't you lie to me
Don't you lie to me
It makes me mad
An I get evil as a man can be

(kazoo & instrumental)

I'll be with you
'Till the cows come home
But mama, please don't let me
Catch you gettin' down wrong

And don't you lie to me
Don't you lie to me
Because it makes me mad
An I get evil as a man can be

But don't you lie to me
Don't you lie to me
Because it makes me mad
An I get evil as a man can be.
