We make mistakes  
That's not the problem  
You just took my trust and taken it to far  
I can't believe you'd do this to me throughout our  
relationship  
I guess I'll never know exactly who you are

I can't take this in my life anymore  
I must be strong and I must endure  
The theory you're making my life

Don't want it...  
Don't need it...

I don't want the drama (Drama...drama...drama...)  
I'm walking out that door  
I'm moving on. I just can't take it anymore

I don't want the drama (Drama...drama...drama...)  
Can't you see we're through?  
I'm moving on. I'm looking for somebody new

I don't want the drama (Drama...drama...drama...)  
Don't need the drama (Drama...drama...drama...)  
I don't want the drama (Drama...drama...drama...)  
Can't take the drama. I don't want the drama  
(Drama...drama...drama...)

I'm moving on  
I've got to take control  
I've got to take back my heart and the soul you stole  
How could you be with me, deceiving me with all your  
little lies?  
Now I know that you were just a big disguise

I can't take this in my life anymore  
I must be strong and I must endure  
The theory you're making my life

Don't want it...  
Don't need it...  
I don't want the drama (Drama...drama...drama...)

I'm walking out that door  
I'm moving on. I just can't take it anymore

I don't want the drama (Drama...drama...drama...)  
Can't you see we're through?  
I'm moving on. I'm looking for somebody new

I don't want the drama (Drama...drama...drama...)  
Don't need the drama (Drama...drama...drama...)  
I don't want the drama (Drama...drama...drama...)  
Can't take the drama. I don't want the drama  
(Drama...drama...drama...)
