There's a place I dream about  
Where the sun never goes out  
And the sky is deep and blue  
Won't you take me there with you

Ohh, we can begin again  
Shed our skin, let the sun shine in  
At the edge of the ocean  
We can start over again

There's a world I've always known  
Somewhere far away from home  
When I close my eyes I see  
All the space and mystery

Ohh, we can begin again  
Shed our skin, let the sun shine in  
At the edge of the ocean  
We can start over again

Ohh, we can begin again  
Shed our skin, let the sun shine in  
At the edge of the ocean  
We can start over again

At the edge of the ocean  
We can start over again
