Tell me who do you love man?  
Tell me what man?  
Tell me what's it you love man?  
An old fashioned melody

Tell me what's it that moves you?  
Tell me what's it that grooves you?  
An old fashioned melody  
But old songs leave you dead  
We sell our souls for bread

We're all encased in sonic armor  
Beltin' it out through chrome grenades  
Miles and miles of Medusan chord  
The electronic sonic boom

It's what's happening baby  
It's where it's at, Daddy

They chain you and brainwash you  
When you least suspect it  
They feed your mass media  
The age is electric

I got the electric blues  
I got the electric blues  
I got the electric blues  
I got the electric blues

Thump, racketsy, rack whop  
Rock, folk rock, rhythm and blues  
Electronics explodin', racketsy clack  
Thump, racketsy, rack whop  
Plugged in, turned on
