And all of You is more than enough for
All of me for every thirst and
Every need You satisfy me with Your love
And all I have in You is more than enough

You are my supply, my breath of life
And still more awesome than I know
You are my reward worth living for
And still more awesome than I know

And all of You is more than enough for
All of me for every thirst and
Every need You satisfy me with Your love
And all I have in You is more than enough

You are my sacrifice of greatest price
And still more awesome than I know
You are my coming King, You are everything
And still more awesome than I know

And all of You is more than enough for
All of me for every thirst and
Every need You satisfy me with Your love
And all I have in You is more than enough

More than all I want, more than all I need
You are more than enough for me
More than all I know, more than all I can see
You are more than enough

More than all I want, more than all I need
You are more than enough for me
More than all I know, more than all I can see, yeah
You are more than enough

And all of You is more than enough for
All of me for every thirst and
Every need You satisfy me with Your love
And all I have in You, and all I have in You
And all I have in You is more than enough

And all of You is more than enough

For all of me
