Hey, if we can solve any problem
Why do we lose so many tears
Oh and so you go again
When the leading man appears

Always the same thing
Can't you see we've got everything
Going on and on and on

Everytime you go away
You take a piece of me with you
Everytime you go away
You take a piece of me with you

Go on and go free, yeah
Maybe you're too close to see
I can feel your body move
Doesn't mean that much to me

I can't go on singing the same thing
Can't you see we got everything
Do you even know, you know

Everytime you go away
You take a piece of me with you
Everytime you go away
You take a piece of me with you

I can't go on singing the same thing
'Cause, baby, can't you see
We've got everything going on and on and on

Everytime you go away
You take a piece of me with you
Everytime you go away
You take a piece of me with you

Everytime you go away
You take a piece of me with you
(Everytime you go)
Everytime you go away
You take a piece of me with you
