Hey, if we can solve any problems
Why do we lose so many tears?
Oh, and saw you go again
When the leadin' man appears

Always the same thing
Can't you see we've got?
Everything goin' on and on and on

Every time you go away
You take a piece of me with you
Every time you go away, ooh
You take a piece of me with you

Go on and go free, yeah
Maybe you're too close to see
I can feel your body move
Doesn't mean that much to me

I can't go on singin' the same thing
Can't you see we've got everything
Do you even though you know?

Every time you go away
You take a piece of me with you
Every time you go away
You take a piece of me with you

I can't go on singin' the same thing
'Cause baby, can't you see we've got
Everything goin' on and on and on?

Every time you go away
You take a piece of me with you
Every time you go away
You take a piece of me with you

Every time you go away
You take a piece of me with you
Every time you go
Every time you go away
You take a piece of me with you
