Love, and your world can become a madhouse
Love, and your world can become a circus
Love turns around, Jenny, your love is a drug that I dare
not take
A drug to make me mad, Rose, I'd never harm the girl

Love has turned my world around
And my world now turns round Alex

Love should not be used as a weapon
Why, Alex, why can't you?
See it's George, you're breaking and burning
Breaking and bleeding in the name of love

Love is a knife, it's a curse, a cancer
To love is to hate letting go, Jenny, I can never share
your love
And I'm falling, I am suddenly falling
And my story is older than the stars

Suddenly falling, I can feel myself falling
Down into this madhouse of love
Suddenly falling, I can feel myself falling
In this madhouse of love
