Bring it back, sing it back
Bring it back, sing it back to me
Bring it back, sing it back
Bring it back, sing it back to me
Bring it back, sing it back
Bring it back, sing it back to me
Bring it back, sing it back
Bring it back, sing it back to me
When you are ready, I will surrender
Take me and do as you wish
Have what you want
Your way's always the best way
I have succumb to this passive sensation
Peacefully falling away
I am a zombie, your wish will command me
Laugh as I fall to my knees
Bring it back, sing it back
Bring it back, sing it back to me
Bring it back, sing it back
Bring it back, sing it back to me
Bring it back, sing it back
Bring it back, sing it back to me
Bring it back, sing it back
Bring it back, sing it back to me
Can I control this empty delusion
Lost in the fire below?
And you'll come running
Your eyes will be open
And when you come back
I'll be as you want me only so eager to please
My little song will keep you beside me
Thinking your name as I sing
Bring it back, sing it back
Bring it back, sing it back to me
Bring it back, sing it back
Bring it back, sing it back to me
Come, come, come to my sweet melody
Come, come, come to my sweet melody
Come, come, come to my sweet melody
Come, come, come to my sweet melody
Now you can't help it if you have been taken
By fruit hanging ripe on the tree

And I feel useless, don't care what the truth is
You will be here come the days
Do, do you hear me? Don't try to come near me
So tired I'll sleep through the light
If you desire to lay here beside me
Come to my sweet melody
Bring it back, sing it back
Bring it back, sing it back to me
Bring it back, sing it back
Bring it back, sing it back to me
Bring it back, sing it back
Bring it back, sing it back to me
Bring it back, sing it back
Bring it back, sing it back to me
Sing it back, sing it back, sing it back to me
Sing it back, sing it back, sing it back to me
Sing it back to me, sing it back to me
Sing it back, sing it back, sing it back to me
