(Suddenly, MIMI's hand twitches)
(Incredibly, she is still alive)

I jumped over the moon
A leap of moo
She's back
I was in a tunnel
Heading for this warm, white light

Oh, my God
And I swear Angel was there
And she looked good, and she said
"Turn around, girlfriend
And listen to that boy's song"

She's drenched
Her fever's breaking
There is no future, there is no past
Thank God this moment's not the last

There's only us, there's only this
Forget regret or life is yours to miss
No other road no other way
No day but today

(As the finale grows)
(The entire company makes its way on stage)

I can't control my destiny
I trust my soul
My only goal is just to be

Will I lose my dignity?
Will someone care?
Will I wake tomorrow
From this nightmare?

(Mark's film resumes, along with two more films)
(Projecting on the back wall, "Scenes from Rent")

Without you, the hand gropes
The ear hears, the pulse beats

Life goes on but I'm gone
'Cause I die without you

I die without you
I die without you
I die without you

There's only now, there's only here
Give in to love or live in fear
No other path, no other way

No day but today
No day but today
No day but today
No day but today
No day but today
