Lazy yellow moon comin' up tonight shinin' through the trees

Crickets are singin' and lightning bugs are floatin' on the breeze

Baby get ready

Across the field where the creek turns back by the ol' stump road

I'm gonna take you to a special place that nobody knows

Baby get ready

Ooh, ooh you and me going fishing in the dark

Lying on our backs and counting the stars where the cool grass grows

Down by the river in the full moon light

We'll be fallin' in love in the middle of the night just movin' slow

Stayin' the whole night through, feels so good to be with you

Spring is almost over and the summer's comin' the days are gettin' long

Waited all winter for the time to be right, just to take you along

Baby get ready

And it don't matter if we sit forever and the fish don't bite

Jump in the river and cool ourselves from the heat of the night

Baby get ready

Ooh, ooh you and me going fishing in the dark

Lying on our backs and counting the stars where the cool grass grows

Down by the river in the full moon light

We'll be fallin' in love in the middle of the night just movin' slow

Stayin' the whole night through it feels so good to be with you

You and me going fishing in the dark
Lying on our backs and counting the stars where the

We'll be fallin' in love in the middle of the night just

You and me going fishing in the dark

We'll be fallin' in love in the middle of the night just
movin' slow
