First when there's nothing but a slow glowing dream
That your fear seems to hide, deep inside your mind
All alone I have cried, silent tears full of pride
In a world made of steel, made of stone

Well, I hear the music, close my eyes feel the rhythm
Wrap around, take a hold of my heart

What a feeling, bein's believin'
I can have it all, now I'm dancing for my life
Take your passion and make it happen
Pictures come alive, you can dance right through your
life

Now I hear the music, close my eyes
I am rhythm in a flash it takes hold of my heart

What a feeling, bein's believin'
I can have it all, now I'm dancing for my life
Take your passion and make it happen
Pictures come alive, now I'm dancing through my life
What a feeling

What a feeling
(I am music now)
Bein's believin'
(I am rhythm now)
Pictures come alive, you can dance right through your
life

What a feeling
(You can really have it all)
What a feeling
(Pictures come alive when I call)
I can have it all
(I can really have it all)
Have it all
(Pictures come alive when I call, call, call, call, call)

(What a feeling)
I can have it all
(Bein's believin')

Bein's believin'
(Take your passion)
