(Don't You)

How you choose to express yourself
It's all your own and I can tell
It comes naturally, it comes naturally
And it takes my breath away (Everytime)
What you do, so naturally

You are the thunder and I am the lightning
And I love the way you know who you are
And to me it's exciting
When you know its meant to be

Everything comes naturally, it comes naturally
When you're with me, baby
Everything comes naturally, it comes naturally
Bay bay baby

You don't understand what it is
That makes me tick
But you wish you did
You always second guess, wonder if i say yes
but you just lose out every time
If you only knew what i talked about
When I'm with my friends just hangin' out
Then you'd have the inside scoop
On what to say, what to do
That way when you play the game
Baby you could never lose

Don't you wish that you could be a Fly on the Wall
A creepy little sneaky little Fly on the Wall
All my precious secrets, yeah
You'd know them all
Don't you wish that you could be a Fly on the Wall

When we collide, sparks fly
When you look in my eyes, it takes my breath away
You are

A little communication
Well that'll go a long way
You're getting misinformation

Too much hearsay, hearsay

You are the thunder and I am the lightning (Don't You)
And I love the way (Don't You) you know who you are
And to me it's exciting (Don't you wish you were a...)
When you know its meant to (Hey!) be

Don't you wish that you could be a Fly on the Wall
A creepy little sneaky little Fly on the Wall
All my precious secrets, yeah
You'd know them all
Don't you wish that you could be a Fly on the Wall
