hey (eh)

forever

hey (eh)

forever

It's you

And me

Moving at the speed of light

Into eternity

Tonight

Is the night

To join me in the middle of ecstasy

Feel the melody and the rhythm of the music around

you, around you

Imma take you there

Imma take you there

So don't be scared

Im right here baby

We can go anywhere, go anywhere

But first, it's your chance

Take my hand come with me

It's like I waited my whole life

For this one night

Its gonna be me, you, and the dance floor

Cause we only got one night

Double your pleasure

Double your fun

And dance forever ever ever

Forever ever ever

Forever ever ever

Forever ever ever

Forever ever ever

Forever ever ever

Forever ever ever

Forever on the dance floor

Sounds like we're on another level

Feels like our love's intertwined

We can be two rebels

Breakin the rules

Me and you, you and I
All you gotta do is watch me
Look what I can do with my feet
Baby, feel the beat inside
I'm driving you take the front seat
I just need you to trust me (girl, girl, girl)

It's like I waited my whole life
For this one night
It's gonna be me, you, and the dance floor
Cause we only got one night
Double your pleasure
Double your fun
Dance forever ever ever
Forever ever ever
Forever ever ever
Forever ever ever
Forever ever ever
Forever ever ever
Forever ever ever
Forever on the dance floor

It's a long way now
So high off the ground
Sending for an angel
Bring me your heart
Girl where did you come from
Got me so undone
Gaze in your eyes got me saying "What a beautiful
lady!"
No ifs, and, or maybes
I'm releasing my heart
It's feeling amazing
No one else that matter
You love me
And I won't let you fall girl, let you fall girl
Oh, oh, yea, yea
I won't let you fall, let you fall, let you fall
Oh, oh, yeah, yeah, yeah, yeah,

I waited my whole life (whole life)
For this one night (one night)
It's gonna be me, you, and the dance floor (dance floor)
Cause we only got one night
Double your pleasure
Double your fun
Dance with me Cmon
Forever ever ever
Forever ever ever
Forever ever ever
Forever ever ever

Forever ever ever
Forever ever ever
Forever on the dance floor
oh
oh
oh, oh, oh, oh
ohhhh
yeah
forever ever, ever ever
forever ever
ohhhh
