All last summer in case you don't recall  
I was yours and you were mine forget it all  
Is there a line that I could write  
Sad enough to make you cry  
All the lines you wrote to me were lies  
The months roll past the love that you struck dead  
Did you love me only in my head?  
Things you said and did to me  
Seemed to come so easily  
The love I thought I'd won you give for free  
Whispers at the bus stop  
I heard about nights out in the school yard  
I found out about you  
Rumors follow everywhere you go  
Like when you left and I was last to know  
You're famous now and there's no doubt  
In all the places you hang out  
They know your name and know what you're about  
Whispers at the bus stop  
I heard about nights out in the school yard  
I found out about you  
Street lights blink on through the car window  
I get the time too often on am radio  
You know it's all I think about  
I write your name drive past your house  
Your boyfriend's over I watch your light go out  
Whispers at the bus stop  
I heard about nights out in the school yard  
I found out about you
