lately  
been thinking bout you baby  
now everthing is crazy  
and i confess ur freaking me  
ill wait and see

so come on in  
and get right underneath my skin  
ive got a little feeling  
i know exactly where youve been

now that weve got it  
get on the dancefloor  
were gonna rock it  
cas thats what were here for  
you want a creep  
and youve been keeping it nasty  
but now you want it  
and your ready to ask me

youre looking sexy  
i think i want to take a bite  
theres something going on tonight  
so tell me is it black or white  
wrong or right

now that youve got it  
get on the dancefloor  
were gotta rock it  
cas thats what were here for  
so make a move  
before i do something drastic  
and hit me up  
cas baby you look fantastic

im here waiting  
no hesitating

now that weve got it  
get on the dancefloor  
were gonna rock it  
cas thats what were here for

now that weve got it  
get on the dancefloor  
were gonna rock it  
cas thats what were here for

im here waiting (yeah yeah yeah yeah)  
no hesitating (yeah yeah yeah yeah)

now that weve got it  
get on the dancefloor  
were gotta rock it  
cas thats what were here for  
you want a creep  
and youve been keeping it nasty  
but now you want it  
and your ready to ask me

now that weve got it  
get on the dancefloor  
were gotta rock it  
cas thats what were here for  
so make a move  
before i do something drastic  
and hit me up
